The number one reason to join the **Pikesville Middle School Family Association** is to benefit your child. Doing so also helps our school. But there are many more PMSFA advantages:

- **Get Connected.** There's no better way to know what's happening at Pikesville than by being a member and by attending PMSFA meetings where you can meet other parents, teachers, and especially administrators building rapport and discussing issues that are on your mind. You can share ideas, concerns, and experiences as well as hear directly what is happening at your child's school.
- **Speak Up.** PMSFA can be a way for you to more effectively suggest change at Pikesville Middle.
- **Witness Improvement.** By getting involved at the school, you'll be part of the solution, helping make positive changes. PMSFA plays an important role in fundraising to provide building improvements, curriculum-based programs, and social events.
- **Be a Role Model.** By becoming a PMSFA member, you'll be demonstrating to your child the importance you place on education.

The PMSFA sponsors events and programs for the benefit of the students and community, highlights include:

- **Teacher Appreciation Week and Events** - The PMSFA provides a back to school breakfast for teachers and staff as well as a week full of events, goodies, and treats during TAW.
- **8th Grade Graduation** - In support of our 8th grade students' success to the next level of education, PMSFA helps to provide some of refreshments and decorations to express to our students on a job well done!
- **Events** - Volunteers will be needed for planning, fundraising, organizing and chaperoning, please consider participating!

Being a PMSFA member allows you to have an active voice and participation in your child's ACADEMIC SUCCESS!
