

AS OF AUGUST 13, 2018

Better Access to Student Courses, Grades, and Assignments Schoology on BCPS One

You gave us feedback, and we listened.

As of August 13, all parents and students have easy, 24/7 access to student courses, grades, and assignments through [Schoology on BCPS One](#).

Top Benefits for Parents

- Quick access to student information for all of your children
- Improved communication with teachers
- Ability to save resources and join groups set up by teachers
- Mobile app

Why Did We Switch to Schoology on BCPS One?

The contract for our previous learning management system expired, and we had the opportunity to choose a system that gives parents, students, and educators the features you asked for.

Schoology Is Available on BCPS One

Use your myBCPS parent account to access Schoology through [BCPS One](#) or by downloading the Schoology mobile app on your device. If you do not have a myBCPS parent account, [sign up here](#).
